Anubhav Prasai

High School Senior | IM²C'25 meritorious
Damak Municipality, Province No. 1, Nepal

Summary

Hi, this is Anubhav Prasai, a high school senior deeply passionate about math, computer science, problem-solving, and somewhat about economics through modeling and coding. Over the past few years, I've built a decent foundation in mathematical modeling, simulation, and programming.

Currently, I'm focused on expanding my skills in the language of Math, CS with the hopes of pursuing further education in mathematics, CS.

If you're interested in having a talk, then don't be shy to hit me up.

Experience

Prasai General Store - Family owned shop
Retail Salesperson

April 2024 - Present (1 year 9 months)
Birtamod Municipality, Province No. 1, Nepal

Served 1–3 hours daily after school and weekends, consistently supporting the shop since age 15.

Provided customer service to 20–40+ daily visitors, helping with purchases and product questions.

Maintain accurate records of cash transactions, preventing losses and ensuring balanced accounts.

Streamlined inventory management by organizing stock and reducing common shortages.

Contributed to keeping the shop presentable, improving customer satisfaction and repeat visits.

Successfully balanced academic responsibilities with ongoing part-time work, demonstrating time management and reliability.

Yale Entrepreneurial Society

Fellow, AI/ML Cohort

September 2025 - November 2025 (3 months)

Remote

Selected for Yale Entrepreneurial Society (YES) Fellowship - 2025 AI/ML Cohort. Engaged in advanced workshops, projects, and networking with peers and mentors focusing on entrepreneurship, artificial intelligence, and machine learning.

Education

Newton's Education Academy

High School Diploma, Science · (April 2022 - July 2026)
